Bandita, dam of Herzpochen

Bombe, grand dam of Herzpochen (3. lac.)

HERZPOCHEN, a powerful and well developed young bull is one of the best and most interesting Herzs Schlag-sons. His dam Bandita is a heavy, extremely well-muscled Vanadin-daughter with sound feet & legs and an excellent udder. Bandita is a full sister to the sire Vitamin, a Vanadin-son who already proved himself with second crop results. HERZPOCHEN shows balanced breeding values on a high level. His daughters will be excellent, long-living milk producers. They will have a lot of capacity, nice udders and last but not least stand out for milking speed.
